

Estimated budget for the rehabilitation of “El Edén” Ecological Reserve

WWF lab: cleanup, maintenance, repairing of doors and mosquito nettings and buy mattresses.

Priority level: 3

Needed amount: \$ 15,000.00

Concrete Hut: cleanup, door painting, waterproofing of the ceilings of the bathroom, repairing of the water deposit and water system and drainage of the septic tank.

Priority level: 1

Needed amount: \$ 15,000.00

Bathrooms: complete rebuilding; find a more proper place to build them.

Priority level: 3

Needed amount: \$ 50,000.00

Machine room: cleanup, recovering of all the tools that are still useful and complete reconstruction of the building.

Priority level: 1

Needed amount: \$ 40,000.00

Solar System: reconstruction.

Priority level: 1

Needed amount: \$150,000.00

Workers hut: cleanup, repairing of doors, mosquito nettings and ceiling. It is probably necessary to relocate the hut.

Priority level: 1

Needed amount: \$ 35,000.00

“La Sabana” Research Station: cleanup, repairing of the facade with *guano*, repairing of windows, rehabilitation of the external areas when the water level descends, buy a cell phone and a new radio communication system.

Priority level: 2

Needed amount: \$ 35,000.00

Observatory Tower: repairing of the crosspieces and repairing of the ceiling with *guano*.

Priority level: 2

Needed amount: \$ 10,000.00

Ingram hut: repairing of walls, change the WC, installation of a new solar system.

Priority level: 3

Needed amount: \$ 50,000.00

Gómez-Pompa hut: total loss.

Priority level: 4

Needed amount: \$307,000.00

UADY hut: total loss.

Priority level: 4

Needed amount: \$307,000.00

Well: installation of a new water pump.

Priority level: 1

Needed amount: \$ 5,000.00

Press and dry cabin: total loss.

Priority level: 3

Needed amount: \$ 20,000.00

Roads and paths: reconstruction of bridges and coating of the paths with gravel.

Priority level: 2

Needed amount: \$ 50,000.00

Other things that are needed: repairing of the solar pump, assessment of the water quality and supply the concrete hut with water.

Needed amount: \$ 5,000.00

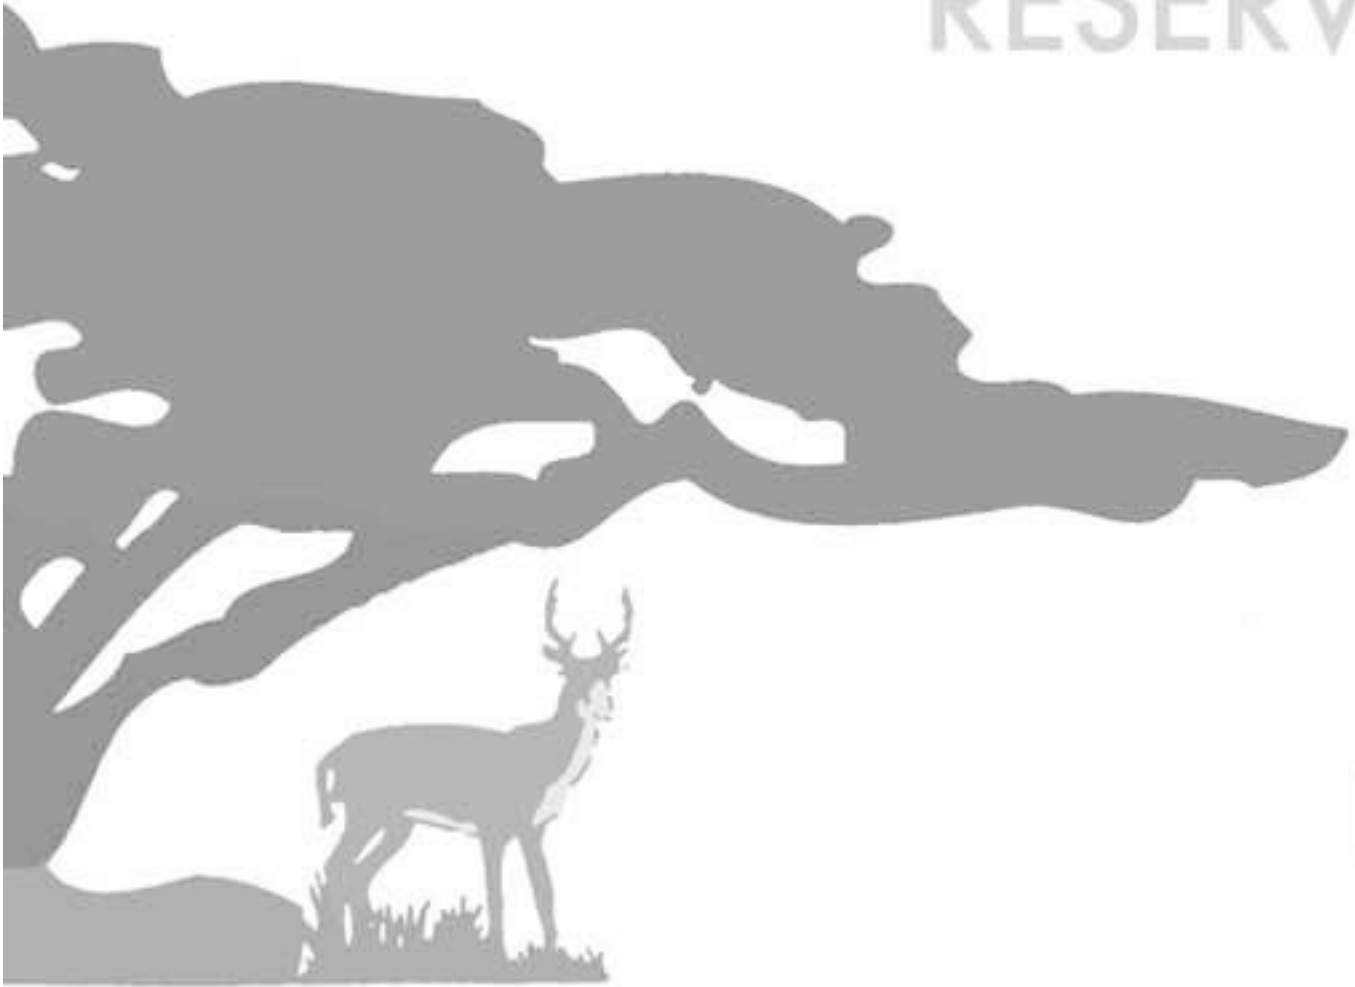

Necessary equipment to begin the reconstruction:

1 brush	\$3,500.00
1 chain saw	\$7,000.00
1 driller	\$2,000.00
1 saw	\$3,500.00
An electric gas plant	\$7,000.00
1 gas tank	\$2,000.00

Kitchen appliances
3 water deposits

\$2,500.00
\$7,500.00

Total: \$1,186,000.00
